

Pickens County School Bus Rules:

1. Comply with the Student Code of Conduct, including school specific rules of conduct and consequences.

3. Help keep the bus clean, refrain from eating or drinking on the bus.
4. Cooperate with the driver and sit in designated seat when assigned by the driver.
5. **Students who cross the roadway in the AM will do so, only after the bus has stopped, they have looked at the driver for the hand signal, and they have looked in both directions for traffic. Students who cross in the PM will look right at the bottom of the bus steps before disembarking. They will stop at front right corner of the bus and look to driver for signal to proceed to the bus crossing arm on the left front and then wait for driver to signal to proceed quickly across traffic lane.**
6. Stay in your seat, and remain properly seated, back against the back of the seat, bottom against the bottom of the seat and keep hands to themselves until time to get off the bus. The open door or driver command will signal release from your seat.
7. Keep head, hands, and feet inside the bus, keep all personal items out of the aisle.

9. Students will signal the driver with a waving motion if something is dropped and wait for the driver to give a signal before picking up the object. (Never, ever lose sight of the driver or do anything that would make him/her lose sight of you! This is a procedure that can never be broken if we are to keep you **safe**.)
10. Students will refrain from using loud voices, profanity, and/or obscene gestures.

Pickens County School System is not responsible for lost, damaged or stolen property.
12. Do not use a mirror, laser, flash camera or any other light or reflective device in a manner that might interfere with the driver's operation of the bus.

STUDENTS THAT MISS THE BUS IN THE AM

If a Pickens County student misses their assigned bus in the AM and the assigned bus is on schedule for that stop, the student will need to be transported to their school by a parent or guardian. It is too dangerous to maneuver a bus in an area not deemed safe for turnaround.

For the safety of your student do not bring your student to another stop to board the bus. Drivers will not be looking for your student(s) at another stop and do not need to be distracted from loading other students at their assigned stop.

NO ONE HOME IN THE PM TO RECEIVE STUDENTS

If a Pickens County Student under the age of 9 years old is delivered home and no one is there to receive them, the driver will be instructed to return the student to the school where the parent may pick them up. Drivers will not be allowed to turnaround in an unassigned area.
