Today at Harmony Elementary School, a female substitute teacher brought a handgun to school in her purse. The purse was open, and the handgun was observed by several students while in the purse. The handgun was never removed from the purse. The substitute teacher informed the staff at that school of the handgun. She was relieved of her duties and sent home. She is a substitute teacher employed by a contracted service company and will not be allowed back in our school system. The District immediately notified the Pickens County Sheriff, and he is conducting an investigation. The District would once again like to thank the Pickens County Sheriff and his staff for their continued cooperation and support.
